MESSAGE FROM THE PRINCIPAL

Dear Parents and Students,

Greetings from Don Bosco Higher Secondary School Lichubari, Jorhat. We are delighted to inform you that our school is being upgraded to the Higher Secondary level. Many parents have expressed their desire to have Higher Secondary classes within the school itself. In alignment with the National Education Policy 2020, our School is now ready for its implementation.

To meet the evolving educational requirements under NEP 2020, we are constructing a new building equipped with modern facilities. Our facilities include smart classrooms, well-equipped computer and science laboratories, a library, a hall, and a playground. We also offer martial arts training and a wide range of co-curricular activities such as debates, quizzes, singing and drawing competitions, and other talent-enhancing programs. Above all, we are committed to imparting value-based education through a qualified and dedicated faculty.

We sincerely seek your continued cooperation, and trust as we embark on this new journey of growth and excellence.
With warm regards.

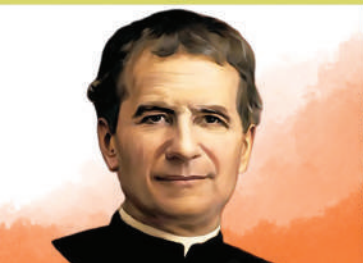

Principal
